

## Blackmail (Ilaeden Quartet Book 2)

Life after returning from Ilaeden has been uneventful, if not boring, for Cole Foster and her friends. However, that all changes in a single day. Due to an accident, Cole is forced to return to Ilaeden with her friends and suitor, Fulcan Dar. Together they embark on what should be an easy mission, but things never go to plan, especially where Cole is concerned. Blackmail, danger and trouble await them ahead. Can they overcome it before either blood or secrets are spilled?
