

## A Forever Kind of Love

Mix a strong-minded painting contractor with a once-burned, divorced fire inspector searching for a determined arsonist and what do you get? Instant combustion and lots of sexy, incendiary heat! The pages ignite with passion in KS Anderson's latest romance, *A Forever Kind of Love*. After her mother left to find herself, eight-year-old Andrea Morgan had no choice but to step into the role of mother to her two younger brothers. Twenty years later, when a sexy-voiced fire inspector calls to say her mother is in the hospital, a victim of suspected arson, Dre's first reaction is Ask me if I give a damn! But after flying halfway across the country, Dre finally confronts her mother, a foul-mouthed, beautiful woman with the morals of an alley cat and ends up embroiled in a dangerous arson investigation with Aidan Kelly, a man she finds irritating, aggravating, and so smokin hot he's damned near irresistible. Like a moth to a flame, Dre is drawn to Aidan and wants him in her bed. But marriage and kids forget it! Burned by a failed marriage, Aidan wants more than just a night in Dre's arms. He wants it all or nothing. As their hunger for each other ignites, and the arsonist strikes again and again, Dre and Aidan end up fighting for their lives and one last chance at a forever kind of love. Content Notes: Spicy
