

Kentucky Weddings (Romancing America)

The Truelove siblings dream big dreams and pray big prayers. Val wants to turn a Kentucky horse farm into a wedding venue, but an opinionated architect stands in her way. Heath has an expensive education but is working as a landscaper, and now a single mother return to town makes him fear he ll never get his life back on track. Opie wants to be both a professional chef and a mother, but Paris s most eligible bachelor has old-fashioned ideas about women and careers. Can God bring the Trueloves their dreams through the most unlikely of romances?
