

DESIRED by ALPHAS, Part One (Last Wolf Standing Book 1)

With her mother dying, Carina, as the eldest of the three pups in her Pack, must ascend to Alpha female. But she can't take her rightful place at the head of the Pack without a suitable Alpha male at her side. Two clear choices lie before her, both from the equally rich Ivory Fang Pack. Kayden is debonair and charming. Mardon, his cousin, is strong, powerful, aggressive, and proud and determined to be an Alpha male, no matter what he must do to win Carina's hand. Both cousins are the sexiest male werewolves Carina has ever met, but fate presents her with another option: dark, handsome, mysterious Trevor, a wandering vagabond without a Pack, whom the Ebonwood Pack takes in to stay in their stables. Carina faces a choice she wishes she did not have to make and more possibilities than she can handle. **WARNING: Contains one M/F/M scene. Not suitable for young readers!**
