

My Soul Awakening

Over an eight-year time span, Leta Hand, a gifted spiritual advisor, received more than 2,700 lines from Spirit, each line containing exactly nine words. The compilation of these Nine Little Word statements provides a map to help awaken you to your very own soul. The path of spiritual growth is individual. You can read these lines from beginning to end or choose random statements to ponder. Either way, this process will help you reach a higher wisdom, an inner knowing and a greater sense of peace that will become a part of your everyday life.
