

Bible Study Questions on the Book of Isaiah: A workbook suitable for Bible classes, family studies, or personal Bible study

This is a workbook on the book of Isaiah. It was designed for use in Bible classes, family study, or personal study. The class book material is suitable for teens or adults. Questions in the lessons contain minimal human commentary, but instead guide students to study to understand Scripture.

Enough questions are included for teachers to assign as many questions as they want for each study session. The course assignments may proceed at whatever speed and depth will best accomplish the needs of the students.
