

## Revenge in the Wind: A Jack and Lauren Novel

Jack Warren is a man who has spent most of his life serving his country in ways that cannot be acknowledged by the government. To those on the outside Jack Warren is an ordinary man who owns and operates a wind farm in rural Iowa. No one knows better than Air Force Colonel Patrick Monaghan that Jack Warren is no ordinary man. When Monaghan receives word that his daughter has been kidnapped and hes been warned not to involve the police, Jack Warren is the only man he wants on the case. Jacks specialized training, along with his courage, compassion, and commitment to his mission assures Monaghan that Jack will stop at nothing to get sixteen year old, Megan back. Some may call Jack a vigilante others may question his morals and Monaghan knows that his association with Jack is dangerous. Monaghans sister-in-law Lauren, a former NYPD officer declares herself as Jacks partner in the quest to find Megan. Jack prefers to work alone, but Lauren doesnt take no for an answer. Fighting the instant attraction he feels toward the stunningly beautiful Lauren, Jack must stay focused while they work together to bring Megan home safely. Through the twists and turns created by Megans captors, Jack and Lauren find themselves in incredible physical danger and in danger of falling in love.
