

The Complete Guide to Recovery from Job Loss: Get Your Lifer Back on Track with this Simple Guide

Have you recently lost a job or you know someone who has? Is your unemployment expiring and you need to act? Have you been out of the job market for a long time and you need to get back in and find a good job? If this is you, this book could be your answer. Lee Stewart, a corporate professional who has hired hundreds of people, explains exactly what you have to do, what you have to say and exactly the steps you have to take to get the job that you need to live a better life. The book covers everything from the emotions of losing your job and how to get started finding a job to all of the places to find a job, how to get ready for an interview and what to say on the day of the big interview. Learn how to interview to avoid errors and how to interview your interviewer to find out everything you need to know to make a decision when a job is offered. Do yourself a favor. Pick up this inexpensive little book and learn how to wow the company of your dreams to get a job you will love.
