

Discover 4 Yourself(r) Teacher Guide: Boy, Have I Got Problems!

Bible study is serious fun! The Discover 4 Yourself Inductive Bible Studies for Kids help you find out for yourself what the Bible is all about - and give you exciting ways to do it! These hands-on books help teach the basic skills of Bible study for a lifetime of discovering Gods Word. Help! Weve Got A Problem! Tons of kids write in to Ellie, our newspaper columnist, asking her advice. And even more boys and girls get help by reading Ellies column.

So when Ellies out sick - like she is now - well, boy, do we need help! We hear that you have just what it takes to fill Ellies shoes. Dont worry if youve never done this before - youll have all the help you need. Youll find answers to everyones problems in the Bible. Nothings too big for God! Did we mention the added bonus you get for taking on this assignment? Youll get to discover for yourself what the Bible, especially the book of James, says about getting help with your own problems. Now, thats a bonus worth your while. Compelling stories, engaging activities, and puzzles create a study ideal for Sunday school classes, homeschools, and independent study! NEW! Teacher Guides The Discover 4 Yourself Teacher Guides have been developed by collegiate teacher educator, Elizabeth A. McAllister, Ed. D., and Janna Arndt for use by teachers in both classrooms and home school. The Teacher Guides provide invaluable tools to help you maximize the time you invest teaching a Discover 4 Yourself Bible study. The Teachers Guide will show you how to clearly, carefully, and sensitively lead your students through inductive Bible study, giving them a greater understanding of God and His ways coupled with practical ways to live out what they are learning. Teaching strategies are designed to enhance memory, creativity, and reasoning skills and to ignite young imaginations with the fun and rewards found only in studying Gods Word.

FEATURES include: Teachers Edition with answers to all exercises in student workbooks. Creative ways to handle different learning abilities. Memory enhancement: reading out loud, drawing pictures, creating and marking key words, and making charts, lists, and timelines. Guided daily instructions including topic introductions and suggestions for: key word markings (symbols and colors), leading discussions, and playing games. Weekly Quizzes and Final Exam. Answer Keys for all student workbook questions, crossword puzzles, mazes, weekly quizzes, and final exam.
