

Big Bad Wolf

Paavo Wolfe owns Were Wolfes Books, the place to go for Lake Superiors horror book and movie aficionados. His best friend, Stacey, own Lotions and Potions next door. When a wolf attacks two of Staceys employees, against all reason, they begin to suspect that one of the victims is turning into a werewolf. As they struggle to find the truth, they dodge a nosy news reporter, an ex-partner detective assigned to the case, a drug selling boyfriend, and too many friends trying to help solve the crime before things become really hairy. Can Paavo solve the mystery before he runs into the Big Bad Wolf?
