

Fuck Fat! How Everyday Guys Over 50 are Losing Weight & Changing Their Lives

Have you had it with being fat? Are you tired of carrying around that spare tire? Is it time to change your life? Fuck Fat! How Everyday Guys Over 50 are Losing Weight & Changing Their Lives will open your eyes, and help you understand that you can lose weight. Guys around you are doing it every day. Theyre eating less. Theyre exercising more, and the pounds are melting off of their bodies. Its not easy. Nothing worthwhile is. In this book youre going to meet six everyday guys whove changed their lives by eating less and exercising more. No ones going to ask you to starve yourself, or force you to go without your favorite foods. Youre not going to spend hours in the gym everyday lifting weights. The answer might be as simple as walking the dog, drinking a glass of milk every day, or eating the foods you like (but only taking a few bites, rather than eating the whole thing). If you want to lose weight without all of the bullshit, read Fuck Fat, and start implementing the simple changes that will transform your life. If youre serious about changing your life, order your copy today!
