

## Gracie and the Bad Hat

Grace OShaughnessy, a hat maker who lives in San Francisco, is determined to find a perfect man to love. Left at the altar because her ex-fiance considered her too high-maintenance, Grace makes a list of the qualities shes looking for in Mr. Right. Dedicating her list to Jane Austen, the way she sees it, Ms. Austens heroines always chooses the gentleman over the rake. Everything is going according to plan, until she wakes up in bed naked along side a stranger! Not at all a gentleman, Steven Levy is a man her mother would consider a bad hat. Worse yet, he sets out to get Gracie back into his bed, viewing her as a delicious challenge. What he didnt expect was to fall in love.
