

# Diabetes Diet: How to Manage and Reverse Diabetes: (Diabetes Cookbook Type 2 Solution Guide)

Are you feeling overwhelmed with all the massive information out there on Diabetes? Start with this simple and concise summary first! ? ? ? Read this book for FREE on Kindle Unlimited ? ? ? My father was diagnosed a year ago with Diabetes Type II and I decided to search for ways to help him reverse this diagnosis. But I came across so much information via books and online research that I became quickly overwhelmed and confused on where to start. In this book I compiled a simple yet concise summary of my research together with what worked and helped my father. I listed the diet changes that actually helped him without being impossible or difficult to implement. I also put together more than 20 recipes, simple and easy to prepare yet very powerful to help manage his Diabetes.

If you take it step-by-step and implement the changes recommended in this book, you will definitely find your Diabetes Type II to be more manageable and be on the way to controlling and even reversing it in the long-run. Within this books pages, youll find the answers to these questions and topics: Different Types of Diabetes What is the science behind the idea of reversing diabetes and is it really possible?

What foods to avoid? What foods can help you manage diabetes? More than 20 easy to follow recipes How to determine what works for you ?
