

Dearly Beloved

Dearly Beloved - inspired by the characters in Jane Austen's *Pride and Prejudice*. Sometimes people do die of little trifling colds, and a tragedy at Netherfield destroys the harmony between Elizabeth Bennet and her family. As she begins her mourning under the protection of Mr. Bingley and struggles to heal from the pain of losing her beloved sister Jane, Elizabeth discovers a new source of hope in Mr. Darcy. His pride is overcome by her vulnerability, and his eyes are opened to her endearing qualities. Can he console her during the year of mourning and win her love and hand at the end of it? Will Charles Bingley, whose heart is broken, ever find love again?
