

Letters to Penthouse Vol. 53: Horny MILFs and Cougars on the Prowl

Mrs. Robinson isn't the only cougar in town. There are plenty of yummy mummies and flirty forties just waiting to for a stud to make them feel young again. Penthouse readers know these sexy seductresses are experienced, insatiable and they don't play games...unless they're playing their boy-toys. Now, take an erotic journey to the suburbs where mature MILFs, wanton wives next door, and wicked widows are stalking their young prey. Just because these desperate housewives spend their time in the kitchen doesn't mean they don't have someone to bake their pies too. In these sizzling pages, the mother of all man-eaters is waiting to make a boy into a man.
