

How To Get A Man and Keep Him: The Ultimate Guide to Finding Mr. Right and Living Happily Ever After

Here are some of the most asked questions: How to flirt, how to make someone fall in love with you, how to make a guy fall in love with you, how to get a boyfriend, how to get a guy to like you? Now what about how to keep a man once you find him? This book is a guideline on how to advance once you have found someone who you can see yourself with in the future. Love worth finding is somewhere out there and I share my guide with you to help on your pursuit to Mr. Right and love. Search inside yourself, know what you want and write it down. Do you have a crush on someone. I will guide you on how to flirt with keeping him interested. You dont want to lose his attention but you want to keep him intrigued and fully focused on you. Happiness will come to those who follow their heart along with the correct steps. So if youre looking to hear wedding bells in the near future or just want to be happy and feel loved, you can and will with making just the right moves. You deserve Mr. Right without having to settle for the same ole sloppy boring men who sometimes act like boys. There is a real educated, good looking, and loving man awaiting you...
