

My Sexy, Evil Stepbrother: Villainous Seduction (Book 1)

Jane thinks of herself as too plain to ever be a bad girl. Never the prettiest, the thinnest, the smartest, or the best at anything, she sort of just blends in, so much so that she might as well be invisible. No one thinks shes special. No one except Trey, her stepbrother. Cocky, sharp, funny, and haunted, Trey is everything Jane is not, wrapped in a package thats fifty shades of gorgeous. Hes her best friend, and she has his back as much as he has hers. So when Jane finds out Treys terrible secrethes a supervillain!shell do anything to protect him and it, even if it means taking on the dangerous, beautiful Lioness. But in the world of superbeings, fights arent always fought with fists and guns. Sometimes being the bad guy or the bad girl requires a more animal approach. Sometimes lust and passion win the day. Will Plain Jane have what it takes to join her stepbrothers world, and be the partner, and more, she wants long to be? Note: This story contains hot, wild scenes of passion between a bad boy, a wannabe bad girl, and a ready-and-willing heroine.
