

## ROMANCE: Alpha Male: The Billionaire Escape (An Alpha Male Billionaire Contemporary Romance) (New Adult Billionaire Boys Club Book 1)

Charlotte Morteز is the most successful advertising executive in Los Angeles. She made LoveConnect, an online matchmaking service invented by Gabriel Geroux, a successful monopoly. She's the office beauty, with a nice house in the suburbs and some quirky hobbies. However, no one is envious of Charlotte when she doesn't return after being sent on an errand by Gabriel. Gabriel Geroux built his company from the ground up, and would sacrifice anything, including his love life, to see it succeed. Gabriel is forced to learn a brutal lesson about separating business and pleasure when he spends a week with Detective Lowe. Megan Lowe has a solid reputation as the office screw-up at the LAPD precinct. She hasn't been taken seriously until a coworker moves forward elsewhere, and Chief Cole offers her an opportunity to fill in as his last detective. Everyone is skeptical when Megan is handed the task of solving the mystery of Charlotte Morteز's disappearance. Will this be the biggest case of her career?
