

Salacious Stand Up: A Funny Lesbian Romance

Despite tragedy in her past, Macy Maxwell has been able to keep a smile on her face and a joke in her heart. In fact, her heart is full of jokes, most of them disgustingly off-color, as she navigates life in Chicagos stand up comedy world. Shes built a great character for herself on stage, falling into the role of raunchy sex comic talking about all the guys shes dated theres just one small problem: Macys a lesbian! Things arent much easier off stage either. Macy has an admitted attraction to bad girls, the kind of chicks she knows are no good for her. And George, the super sexy hipster butch writer, is no exception. But on the other side of the coin is Macys best friend and stand up partner Petra, ever the good girl, kinda mopey, though certainly Macys biggest fan. George is undeniably hot and mysterious but Petra actually gives a damn about her friend. Choices, choices Will Macy finally be true to herself on stage as her career begins to take off? Can she stop repeating the same mistakes, always expecting different results, and still find the love she needs to continue on to success? Who will win her heart in this romantic comedy, the good girl or the bad girl? Life can be funny and Macy is about to find out just how absurd it can get.
