

Scandalously Yours (The Hellions of High Street Book 1)

Proper young ladies of the ton-especially ones who have very small dowries-are not encouraged to have an interest in intellectual pursuits. Indeed, the only thing they are encouraged to pursue is an eligible bachelor. So, the headstrong Sloane sisters must keep their passions a secret. Ah, but secret passions are wont to lead a lady into troubleSCANDALOUSLY YOURS

The eldest of the three Sloane sisters, Olivia is unafraid to question the boundaries of Society-even if it does frequently land her in trouble. Disdaining the glittery world of balls and courtship, Olivia prefers to spend her time writing fiery political essays under a pseudonym for Londons leading newspaper. But when her columns attract the attention of the oh-so-proper Earl of Wrexham, Olivia suddenly finds herself dancing on the razors edge of scandal. With the help of her sisters, she tries to stay one step ahead of troubleHowever, after a series of madcap misadventures, Wrexham, a former military hero who is fighting for social reform in Parliament, discovers Olivias secret. To her surprise, he proposes a temporary alliance to help win passage of his bill. Passion flares between them, but when a political enemy kidnaps the earls young son, they must make some dangerous decisions . . . and trust that love will conquer all.
