

Spirit and Kingdom in the Writings of Luke and Paul: An Attempt to Reconcile these Concepts (Paternoster Biblical Monographs)

The relationship between Spirit and Kingdom is a relatively unexplored area in Lukan or Pauline studies. This book offers a fresh perspective of two different biblical writers on the subject. It explores the difference between Luke and Pauls understanding of the Spirit by examining the specific question of the relationship of the concept of the Spirit to the concept of the Kingdom of God in each writer.
