

In Distress: Missed Connections (Superpowered Love Book 6)

Hopeless romantic Eddie Kim acts out his favorite rescued by the white knight fantasies through weekly D&D campaigns, but had almost given up hope of ever getting a real one. Then Callum, a mysterious red-head with freezing superpowers and a memorable kiss, saves him from a house but disappears without a trace. Taking pity on him, Eddie's friends look to craigslist to relocate his hero. Unfortunately, the publicity brings down the kind of attention Callum Race been trying to avoid; he's in town to try and clear his family name, and now the dangerous superpowered organization he needs to thwart knows he's come home again. Still, he can't help following up with Eddie. The heat between Callum and Eddie flares instantly, and Eddie insists on helping to undo the damage his romantic notions have done. The problem: that will mean becoming embroiled in a nefarious plot, not to mention a superpowered world Eddie didn't even know existed a week ago. The bad guys will try to trick and use him, and in the meantime he has to convince Cal to trust him enough to be the white knight for once--and for real--instead of the perpetual damsel in distress.
