

## Time and Again

Sarah Naomi Geraldo dated Paul Randolph Jones only a few times this school year. She was a clinical psychologist at the middle school they worked for. Sarah was shy of marriage because her first one ended in disaster. Will Paul's love make her forget the past... Paul liked what he saw when Sarah joined the staff at Seasonal Middle School. He knew she had a daughter she was crazy about but could her past marriage prevent them from having a happily ever after or could Paul change her mind and show her that love can conquer all.....
